

Dear colleagues,
We are pleased to invite you to the conference
on the occasion of 40th anniversary
of the founding
of the Faculty of Civil Engineering
„Water in Environment“
which will take place on 22nd - 24th November, 2017
in Eco friendly Hotel *Dália***** in Košice, Slovakia.

The purpose of this conference is to bring together scientists, researchers and practitioners in the field of water management to share experiences and successes in addressing the water issues. The conference provides an international forum for presenting and discussing the latest developments in both the fundamental basis and the applicability of state-of-the-art knowledge that can be effectively used for solving a variety of large problems in water resources management.
